Good afternoon, Agent Lanzon -

Thank you for your email.

Mr. Adelsberg's pretrial release conditions do not state that he is required to specifically sign the PD 6D release form. Would you agree to allow us to prepare a custom release that allows you to access the information you seek in your email, such as speaking with his treating provider to ensure he receives adequate services, compliance, and is not a risk to himself or others? If so, we can do that promptly and direct the client to sign the release we prepare.

Thank you so much!
